

# WGI White Teflon & Yellow ULC Gas Thread Seal Tape

WGI Teflon tape is a rugged inert tape made from 100% pure, virgin PTFE. It is highly resistant to acids, alkalis, solvents and gases. WGI Teflon tape is clean and easy to use, never dries out and doesn't drip or run. Use WGI tapes anywhere you need strength, thickness and resistance on threaded connections. It keeps its protective qualities indefinitely and adapts to galvanized iron, stainless steel, brass, plastic or fiberglass. Underwriters Laboratory of Canada Approved. Meets US military specification MIL-T-27730A.

## Specifications

### Sizes

1/2" x 480"  
 3/4" x 480"  
 1" x 480"

### Thickness

White Tape 3mm  
 Yellow Tape 4mm

Conforms to Military Specification  
 T-27730A

ULC Approved  
 CMH1677-ISS.#1C

Service Rating  
 -240°C to 260°C (-400°F to 500°F)

Pressure Rating  
 Yellow Gas Tape 2250 psi

TT-1/2 & GTT-1/2

General Purpose White Tape				
Part Number	Size	Color	List Price	Discount Line #
TT-1/2	1/2"	White	\$1.00	17
